

ACTIV-EV

1. This limited warranty covers conversions to new vehicles, equipment furnished by ActivEV ("the company") in or upon a passenger vehicle. Vehicle has a 4 year limited parts-only warranty. Labor warranties are available for an additional charge, at the time of purchase, through our partner, EWG.

2. The company warrants to original purchaser that any defects in materials or workmanship, except as listed in paragraph #4 below, that occur within the time periods listed below ("the warranty period"), starting from the date of delivery, will be corrected by the company at its expense, in a manner described:
 - a. **Manufacture Warranties** –These warranties are covered by the manufacture of the component, not by Active directly. Lester Brand Chargers are covered for a period of four years. Controllers are covered for a period of two years. Trojan Batteries are covered for a period of 24 months. Eco Brand Batteries are covered under an eight-year limited warranty. Full warranty disclosures for these manufacturers are available upon request.
 - b. **Active Warranty** – In addition to the manufacture warranties noted above. Active will warranty the frame and all structure welds of the vehicle for a period of two years. All remaining parts not already mentioned in (a) or (b) or excluded in #4 below will be covered for a period of two years. Labor for repair is never included. The warranty included is a parts only warranty. Defective parts must be returned to ActivEV LLC before replacement.

3. Warranty parts will be sent or given to the customer or dealer when the dealer or original purchaser notifies the company that a defect exists and Active determines, as a result of its inspection or investigation, that the defect was caused by improper material or workmanship.

4. The parts only warranty provided by Active does not cover:
 - a. Any costs or charges involved in transporting a vehicle or part to or from the repair facility.
 - b. Any lost revenues to customer due to the defective part(s).
 - c. Damages to any items caused by improper use, unauthorized repairs or modifications, attempts to operate any equipment beyond its rated capacities, or damage caused by lack of proper and reasonable maintenance.
 - d. Any equipment furnished or installed by the buyer or Dealer
 - e. Wear Items - tires, bulbs, fuses, bearings, brake pads, motor brushes, wiper blades, brake shoes.
 - f. Any defects for components(such as radio equipment, charger, controller, batteries, etc.) which are covered by the individual component manufacturer's warranty).
 - g. Any rental or replacement vehicle charges or costs associated with the need for warranty repair at our authorized facility.
 - h. Any labor required to replace any warranty parts
 - i. Rust and Paint related issues
 - j. The motor if the vehicle is used in a rental or taxi style application

4. Warranty repairs listed above constitute the full extent of the company's warranty. There are no warranties which extend beyond those described herein, and the foregoing warranty is exclusive and is in lieu of all other warranties, whether written, oral, implied or statutory. In no event shall the company be liable for special or consequential damages or of the loss of use of the vehicle or loss of time or inconvenience to the buyer. Warranties are non-transferrable. Any disputes arising from this warranty are to be settled in Charleston, SC.
