Accessories: Installed by Quality Golf Carts	12
Remaining Components: Solenoid, voltage regulator, F&R Switch	12

2. Exclusions

Excluded from any warranty is damage to the vehicle or component resulting from a cause other than a defective component. This includes poor/lack of maintenance, neglect, abuse, accident or collision, unreasonable or unintended strain or use, improper installation of accessories by the customer. Also excluded from the warranty are ALL fuses, filters, decals, lubricants, routine wear items such as engine mounts, mats, spark plugs, light bulbs, belts, brushes, bushings, drive buttons, alignments, and cosmetic deterioration or fading due to exposure or ordinary wear and tear.

The provisions of this limited warranty shall not apply to failure due to the following conditions:

- (A) Abuse such as overcharging, undercharging, improper fluid levels, loose wiring, fasteners, or rusted or corroded hardware – **Refer to new owner’s manual for additional battery maintenance information.**
- (B) Failure to re-tighten lug nuts on all alloy wheels that may loosen overtime
- (C) Failure to maintain tire pressure – Tire pressure will be displayed on the sidewall of the tire.
- (D) Lack of proper maintenance

3. Conditions of Warranty

- (A) This warranty is NOT Transferable, nor does it apply if misuse/abuse of the cart is evident
- (B) For Warranty claims requiring transportation of the vehicle to and from Quality Golf Carts the pickup/delivery fee will be discussed at time of warranty claim. The Customer is responsible for any pickup/ delivery fees incurred.

4. Voiding of Warranty

This warranty shall be void if the vehicle or component is abused or used in an unintended manner or shows indications that it has been altered in any way, including but not limited to, modification of the speed governor, braking system, back up buzzer, electronic controls, steering, transaxle or other operating systems of the cart that cause it to perform outside of the parameters in which it was originally intended.
